INCIDENT

“udbhav”

The Rhythm of Timeless Essence

FEST BROCHURE

THEME

Across centuries, civilizations have flourished, each leaving behind a legacy of art, music, and tradition. But what if they all stemmed from a single, forgotten source? This year, Incident unearths a lost civilization that worships an ancient fragment, believed to be a “part of Brahmanda’s heart”—the mystical origin of all cultures. In a stunning revelation, this sacred relic is none other than the “i” of Incident”, carrying the echoes of bygone eras. As it journeys across the campus, we celebrate its path through grand performances, immersive experiences, and revived traditions. All Making this edition not just a fest but the revival of a forgotten legacy.

OUR GOAL

“Incident 2025 aims to celebrate the evolution of culture by bringing together the essence of ancient traditions, medieval artistry, and modern expression. Through music, art, and performances, we strive to create an immersive experience that honors the past while embracing the future, fostering creativity, diversity, and a shared love for culture.”
